

Permission form A: "Image release"

At Shearwater, we take many pictures of the children during their camps, outings or activities. We also film some of our most important events. These images are then used for the purpose of School publications and promotions: the newsletter has many pictures every week and we use some in our handbooks and website. The aim is to make it easier for everyone to access relevant information through these and, at the same time, to make these publications more attractive. In order to avoid any possible disagreement over this matter, could you please make sure you have completed this release form for every child at school.

With Thanks

..... (full name)
..... (full name)

for the purpose of School publications and promotions given the following conditions have been respected:

I understand that this promotion might be made online (as in the School or the WAVE website), printed (as in newsletters or brochures) or extend to other media (as in advertising for the School or articles about School events/achievements).

I also understand that neither further notice on the part of Shearwater, nor any further permission is required to use such pictures/film, for the above promotional purpose but that, should I wish to do so, I can send a written notification to withdraw my consent at any time.

I am aware that Shearwater will always ensure

- the pictures used are respectful in their nature and appropriate/relevant to the activity promoted
- that no link can be made between the image of myself/my child and his full name, address, email, etc. in order to avoid any personal information being displayed or accessed publicly
- I can gain access to my/my child's personal information/images at all times.
